(Indian Council of Agricultural Research)

New Delhi, the 30th December 1961

**S.O. 90.**—In exercise of the powers conferred by section 9 of the Indian Lac Cess Act, 1930 (24 of 1930), and in supersession of the Indian Lac Cess Committee Provident Fund Rules, the Indian Lac Cess Committee, with the previous sanction of the Central Government, hereby makes the following Rules, namely:

**1. Short title.**—These rules may be called the Indian Lac Cess Committee Provident Fund Rules, 1961.

**2. Definitions.**—In these rules, unless the context otherwise requires,—

(a) "Committee" means the Indian Lac Cess Committee, constituted under the Indian Lac Cess Act, 1930 (24 of 1930).

(b) "emoluments" means pay, leave salary or subsistence grant as defined in the Fundamental Rules and includes dearness pay appropriate to pay, leave salary or subsistence grant;

(c) "family" means—

(i) In the case of a male subscriber, the wife or wives and children of a subscriber and the widow or widows and children of a deceased son of the subscriber, provided that if a subscriber proves that his wife has been judicially separated from him or has ceased under the customary law of the community to which she belongs to be entitled to maintenance, she shall henceforth be deemed to be no longer a member of the subscriber's family in matters to which these rules relate, unless the subscriber subsequently indicates by express notice in writing to the Secretary of the Committee that she shall continue to be so regarded;

(ii) in the case of a female subscriber, the husband and children of the subscriber and the widow or widows and children of a deceased son of the subscriber:

Provided that if a subscriber by notice in writing to the Secretary of the Committee expresses her desire to exclude her husband from her family, the husband shall henceforth be deemed to be no longer a member of the subscriber's family in matters to which these rules relate, unless the subscriber subsequently cancels formally in writing her previous notice;

Note I.—"children" means legitimate children.

Note II.—An adopted child shall be considered to be a child when the Secretary, or, if any doubt arises in the mind of the Secretary, the Committee is satisfied that under the personal law of the subscriber, adoption is legally recognised as conferring the status of a natural child but in this case only;

- (d) "Fund" means the Indian Lac Cess Committee Provident Fund;
- (e) "leave" means any kind of leave recognised by the Fundamental Rules or other Service Rules which may be applicable to the subscriber;
- (f) "Secretary" means the Secretary of the Committee;
- (g) "year" means the financial year;
- (h) any other expression used but not defined in these rules and defined either in the Provident Funds Act, 1925 (19 of 1925) or in the Fundamental Rules shall have the same meaning as in that Act or those rules, as the case may be.

#### CONSTITUTION AND MANAGEMENT OF THE FUND

**3. Management of Fund.**—The Fund shall be vested in and managed by the Committee.

**4. Fund.**—The Fund shall consist of—

- (a) The amounts at the credit of the Provident Fund of the Indian Lac Association for Research on the afternoon of 31st July, 1931;
- (b) subscriptions and contributions which are to be carried to the Fund in accordance with these rules;
- (c) such additions to the Fund as the Committee may at any time and from time to time decide to make; and
- (d) the income of the fund from loans, deposits and investments.

**5. Persons to whom rules shall apply.**—(1) These rules shall apply to every salaried officer and servant of the Committee employed either temporarily or on a long-term basis, not being:—

- (a) a person who has not put in one year's service under the Committee; or
- (b) a person who is a permanent servant of the Central Government or of a State Government whose services have been lent or transferred to the Committee;

Provided that these rules shall not apply to any such servant between whom and the Committee an agreement subsists in respect of a Provident Fund, other than an agreement providing for the application to him of these rules, and in the case of an agreement so providing, shall apply subject to the terms of such agreement.

(2) Every officer or servant of the Committee to whom these rules apply shall subscribe to the Fund.

**6. Nominations.**—(1) A subscriber shall, on joining the Fund, send to the Secretary, a nomination conferring on one or more persons the right to receive the amount that may stand to his credit in the event of his death before that amount has become payable or before the amount having become payable, has not been paid: Provided that if, at the time of making nomination, the subscriber has a family, the nomination shall not be in favour of any person other than a member of his family.

(2) If a subscriber nominates more than one person under sub-rule (1), he shall specify in the nomination the amount or share payable to each of the nominees, in such manner as to cover the whole of the amount that may stand to his credit in the Fund at any time.

(3) Every nomination shall be in such one of the Forms set forth in the First Schedule as is appropriate in the circumstances.

(4) A subscriber may at any time cancel a nomination by sending a notice in writing to the Secretary:

Provided that the subscriber shall, along with such notice send a fresh nomination made in accordance with the provisions of this rule.

(5) A subscriber may provide in a nomination—

- (a) in respect of any specified nominee, that in the event of his predeceasing the subscriber, the right conferred upon that nominee shall pass to such other person as may be specified in the nomination;
- (b) that the nomination shall become invalid in the event of the happening of a contingency, specified therein; provided that if at the time of

making the nomination the subscriber has no family, he shall provide in the nomination that it shall become invalid in the event of his subsequently acquiring a family.

(6) Immediately on the death of a nominee in respect of whom no special provision has been made in the nomination under clause (a) of sub-rule (5) or on the occurrence of any event by reason of which the nomination becomes invalid in pursuance of clause (b) of sub-rule (5) or the proviso thereto, the subscriber shall send to the Secretary a notice in writing cancelling the nomination, together with a fresh nomination made in accordance with the provisions of this rule.

(7) Every nomination made, and every notice of cancellation given, by a subscriber shall, to the extent that it is valid, take effect on the date on which it is received by the Secretary.

**7. Subscriber's accounts.**—An account shall be opened in the name of each subscriber in which shall be credited—

- (i) the subscriber's subscriptions;
- (ii) the contributions made under rule 11 by the Committee to his account;
- (iii) interest, as provided in rule 12 on subscriptions;
- (iv) interest, as provided in rule 12 on contributions;

**8. Conditions of subscription.**—(1) Every subscriber shall subscribe monthly to the Fund when on duty.

(2) A person employed under the Committee, either temporarily or on a long term basis, *may subscribe to the Fund on completion of at least one year's continuous service* with retrospective effect from the date of his appointment provided that the Committee's contribution under rule 11 and interest thereon shall be credited only after completion of three years' service, with retrospective effect from the second year of his service.

(3) The subscriber shall intimate his election to subscribe with retrospective effect under sub-rule (2) by a written communication to the Secretary within one month of his becoming a subscriber, and the election once intimated shall be final. Failure to make due and timely intimation under this sub-rule shall be deemed to constitute an election not to subscribe with retrospective effect.

(4) A subscriber may at his option not subscribe during leave.

(5) The subscriber shall intimate his election not to subscribe during leave in the following manner:—

- (a) if he is an officer who draws his own pay bill, by making no deduction on account of subscription in his first pay bill drawn after proceeding on leave;
- (b) if he is not an officer who draws his own pay bills, by written communication to the Secretary before he proceeds on leave.

Failure to make due and timely intimation shall be deemed to constitute an election to subscribe. The option of a subscriber once intimated under this sub-rule shall be final.

**9. Rate of subscription.**—(1) The amount of subscription shall be fixed by the subscriber himself subject to the following conditions namely:—

- (a) it shall be expressed in whole rupees; and
- (b) it shall not be less than 8-1/3 per cent of his emoluments.

(2) For the purposes of sub-rule (1), the emoluments of a subscriber shall be—

- (a) in the case of a subscriber who was in the Committee's service on the 31st March of the preceding year, the emoluments to which he was entitled on that date, provided that—
  - (i) if the subscriber was on leave on the said date and elected not to subscribe during such leave or was under suspension on the said date, his emoluments shall be the emoluments to which he was entitled on the first day after his return to duty;
  - (ii) if the subscriber was on deputation out of India on the said date or was on leave on the said date and continues to be on leave and has elected to subscribe during such leave, his emoluments shall be the emoluments to which he would have been entitled had he been on duty in India;

(iii) if the subscriber joined the fund for the first time on a day subsequent to the said date, his emoluments shall be the emoluments to which he was entitled on such subsequent date;

(b) in the case of a subscriber who was not in the Committee's service on the 31st March of the preceding year, the emoluments to which he was entitled on the first day of his service or, if he joined the Fund for the first time on a date subsequent to the first day of his service, the emoluments to which he was entitled on such subsequent date:

Provided that, if the emoluments of the subscriber are of a fluctuating nature, they shall be calculated in such manner as the Committee may direct.

(3) The subscriber shall intimate the fixation of the amount of his monthly subscription in each year in the following manner:—

(a) if he was on duty on the 31st March of the preceding year, by the deduction which he makes or causes to be made in this behalf from his pay bill for that month;

(b) if he was on leave on the 31st March of the preceding year and elected not to subscribe during such leave, or was under suspension on that date, by the deduction which he makes or causes to be made in this behalf from his first pay bill after his return to duty;

(c) if he was on leave on the 31st March of the preceding year and continues to be on leave and has elected to subscribe during such leave, by the deduction which he makes or causes to be made in this behalf from his pay bill for that month;

(d) if he has entered the Committee's service for the first time during the year, or joins the Fund for the first time, by the deduction which he makes or causes to be made in this behalf from his pay bill for the month during which he joins the Fund;

(e) if his emoluments are of a fluctuating nature, in such manner as the Committee may direct.

(4) The amount of subscription so fixed shall remain unchanged throughout the year:

Provided that if a subscriber is on duty for part of a month and on leave for the remainder of that month, and if he had elected not to subscribe during leave, the amount of the subscription payable shall be proportionate to the number of days spent on duty in the month.

(5) When a subscriber is sent on deputation out of India, he shall remain subject to the Rules of the Fund in the same manner as if he were not so sent on deputation.

**10. Realisation of subscription.**—The Committee shall have power to deduct from the emoluments of any subscriber the subscription due from him and the principal and interest on the advance, if any, made to him from the Fund.

**11. Contribution by the Committee.**—(1) The Committee, shall, on the 31st March of each year, make a contribution to the account of each subscriber:

Provided that if a subscriber dies or quits the service during the year, contribution shall be credited to his account for the period between the close of the preceding year and the date of death or quitting service.

(2) The contribution shall be at the rate of one twelfth of the subscriber's emoluments drawn on duty, or his leave salary drawn during leave if he elected to subscribe while on leave.

(3) The amount of contribution payable under sub-rule (2) shall be rounded to the nearest whole rupee 50 naye paise or more counting as the next higher rupee.

**12. Interest.**—(1) The Committee shall pay to the credit of the account of a subscriber interest at such rate, as is being paid by the Central Government on the Central Contributory Provident Fund accumulation on the amount at his credit in the Fund.

(2) Interest shall be credited with effect from the 31st March of each year in the following manner:—

- (a) on the amount at the credit of a subscriber on the 31st March of the preceding year less any sums withdrawn during the current year, interest for twelve months;
- (b) on sums withdrawn during the current year, interest from the 1st April of the current year upto the 1st day of the month preceding the month of withdrawal;
- (c) on all sums credited to the subscriber's account after the 31st March of the preceding year, interest from the date of deposit upto the 31st March of the current year;
- (d) the total amount of interest shall be rounded to the nearest rupee in the manner specified in sub-rule (3) of rule 11:

Provided that when the amount standing at the credit of a subscriber has become payable, interest shall thereupon be credited under this sub-rule in respect of only of the period from the beginning of the current year or from the date of deposit, as the case may be, upto the date on which the amount standing at the credit of the subscriber became payable.

(3) For the purposes of this rule, the date of deposit shall, in the case of recoveries from emoluments, be deemed to be the first day of the month in which they are recovered. The accounts of the Fund shall be made up every year for the period corresponding with the financial year.

(4) In addition to any amount to be paid under rule 21, interest thereon shall be paid at the prescribed rate upto the end of the calendar month preceding the month of payment provided that the interest shall be paid for a maximum period of six months commencing from the month in which payment becomes due:

Provided that no interest shall be paid in respect of any further period after the date which the Secretary has intimated to that person (or his agent) as the date on which he is prepared to make payment in cash, or if he pays by cheque, after the date on which the cheque in that person's favour is sent to him.

**13. The Lapse and Forfeiture Account.**—All amounts which the Committee shall decide to treat as lapses and forfeitures shall be transferred to a separate account to be called "The Lapse and Forfeiture Account and shall be used and applied by the Committee as a Reserve Fund to meet any loss or depreciation of or in investments for the time being of the Fund. Any profit arising on any of the said investments shall be transferred to the Lapse and Forfeiture Account. If and when the Committee is of the opinion that the amount to the credit of the Lapse and Forfeiture Account is sufficient to meet any possible loss or depreciation of or in the said investments, the surplus, if any, may be divided amongst the members in such proportion as the Committee may decide.

**14. Advances from the Fund.**—(1) A temporary advance may be granted to a subscriber from the amount standing to his credit in the Fund at the discretion of the Committee, which may delegate its power in this respect to the President, the Vice-President or the Secretary of the Committee.

(2) No advance shall be granted under sub-rule (1) unless the sanctioning authority is satisfied that the applicant's pecuniary circumstances justify it, and that it will be expended on the following object or objects and not otherwise:—

- (a) to pay expenses in connection with the prolonged illness of the applicant or any person actually dependent on him;
- (b) to pay for the overseas passage for reasons of health or education of the applicant or any person actually dependent on him;
- (c) to pay obligatory expenses on a scale appropriate to the applicant's status which by customary usage the applicant has to incur in connection with marriages, funerals or other ceremonies of persons actually dependent on him.

(3) An advance shall not, except for special reasons, exceed three months pay, and shall in no case exceed the amount of subscription and interest thereon standing to the credit of the subscriber in the Fund.

(4) An advance shall not, except for special reasons, be granted until at least twelve months after the final repayment of all previous advance, together with

interest thereon, unless the amount already advanced does not exceed two-thirds of the amount admissible under sub-rule (3).

(5) The sanctioning authority shall record in writing its reason for granting the advance: provided that if the reason is of a confidential nature it may be communicated to the Secretary confidentially.

(6) An advance may also be granted for such purposes and on such conditions as are prescribed by the Government of India from time to time under the Contributory Provident Fund Rules (India).

**15. Recoveries of Advances.**—(1) An advance shall be recovered from the subscriber in such number of equal monthly instalments as the sanctioning authority may direct; but such number shall not be less than twelve unless the subscriber so elects, or in any case more than twenty four. A subscriber may, at his option, make repayment in a smaller number of instalments than that prescribed. Each instalment shall be a number of whole rupees, the amount of the advance being raised or reduced, if necessary, to admit of the fixation of such instalments.

(2) Recovery shall be made in the manner provided in rule 10 for the realisation of subscriptions, and shall commence on the first occasion after the advance is made on which the subscriber draws emoluments, other than leave salary or subsistence grant for a full month. Recovery shall not be made, except with the subscriber's consent, while he is on leave or in receipt of subsistence grant and may be postponed by the sanctioning authority during the recovery of an advance of pay granted to the subscriber.

(3) If more than one advance has been made to a subscriber, each advance shall be treated separately for the purpose of recovery.

(4) (a) After the principal of the advance has been fully repaid, interest shall be paid thereon at the rate of one-fifth per cent of the principal for each month or broken portion of a month during the period between the drawal and complete repayment of the principal.

(b) Interest shall ordinarily be recovered in one instalment, in the month after complete repayment of the principal but if the period referred to in clause (a) exceeds twenty months, interest may, if the subscriber so desires, be recovered in two equal monthly instalments. The method of recovery shall be that provided in sub-rule (2). Payments shall be rounded to the nearest rupee, in the manner provided in sub-rule (3) of rule 11.

(5) Recoveries made under this rule shall be credited as they are made to the account of the subscriber in the Fund.

**16. Circumstances in which accumulations are payable.**—When a subscriber quits the service of the Committee, the amount standing to his credit in the Fund shall, subject to any deduction under rule 19 become payable to him:

Provided that a subscriber who has been dismissed from the service and is subsequently reinstated in the service shall, if required to do so by the Committee, repay any amount paid to him from the Fund in pursuance of this rule, with interest thereon at the rate provided in rule 12. The amount so repaid shall be credited to his account in the Fund, the part which represents the Committee's contribution with interest thereon being accounted for in the manner provided in rule 7.

**17. Accumulations payable on retirement or on being declared medically unfit.**—When a subscriber:

(a) has proceeded on leave preparatory to retirement, or

(b) while on leave, has been permitted to retire or declared by competent medical authority to be unfit for further service, the amount of subscriptions and interest thereon standing to his credit in the Fund shall upon application made by him in that behalf to the Secretary, become payable to the subscriber:

Provided that the subscriber, if he returns to duty shall if required to do so by the Committee, repay to the Fund for credit to his account, the whole or part of any amount paid to him from the Fund in pursuance of this rule with interest thereon at the rate provided in rule 12 in cash or securities, or partly in cash and partly in securities, by instalments or otherwise by recovery from his emoluments or otherwise as the Committee may direct.

**18. Payment to Nominees.**—Subject to any deduction under rule 19 on the death of a subscriber before the amount standing to his credit has become payable, or where the amount has become payable, before payment has been made;

(1) when the subscriber leaves a family—

- (a) if a nomination made by the subscriber in accordance with the provision of rule 6 in favour of a member or members of his family subsists, the amount standing to his credit in the fund or the part thereof to which the nomination relates shall become payable to his nominee or nominees in the proportion specified in the nomination;
- (b) if no such nomination in favour of a member or members of the family of subscriber subsists or if such nomination relates only to a part of the amount standing to his credit in the Fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall not withstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family become payable to the members of his family in equal shares;

Provided that no share shall be payable to—

- (i) sons who have attained majority;
- (ii) sons of a deceased son who have attained majority;
- (iii) married daughters whose husbands are alive;
- (iv) married daughters of a deceased son whose husbands are alive, if there is any member of the family other than those specified in clauses (1), (2), (3) and (4):

Provided also that the widow or widows and the child or children of a deceased son shall receive between them in equal parts only the share which that son would have received if he had survived the subscriber and had been exempted from the provisions of clause (1) of the first proviso.

**NOTE.**—(1) Any sum payable under these rules to a member of the family of a subscriber vests in such member under sub-section (2) of section 3 of the Provident Funds Act, 1925.

(2) When the subscriber leaves no family, if a nomination made by him in accordance with the provisions of rule 6 in favour of any person or persons subsists, the amount standing to his credit in the Fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination.

**NOTE.**—(1) When a nominee is a dependent of the subscriber as defined in clause (c) of section 2 of the Provident Funds Act, 1925, the amount vests in such nominee under sub-section (2) of section 3 of that Act.

(2) When the subscriber leaves no family and no nomination made by him in accordance with the provisions of rule 6 subsists, or if such nomination relates only to part of the amount standing to his credit in the Fund, the relevant provisions of clause (b) and of sub-clause (ii) of clause (c) of sub-section (1) of section 4 of the Provident Funds Act, 1925 are applicable to the whole amount or the part thereof to which the nomination does not relate.

**19. Deduction.**—Subject to the condition that no deduction may be made which reduces the credit by more than the amount of any contribution by the Committee with interest thereon credited under rules 11 and 12, before the amount standing to the credit of the subscriber in the Funds is paid out of the Fund, the Committee may direct the deduction therefrom and payment to the Committee of—

- (a) any amount, if a subscriber has been dismissed from the service for grave misconduct;

Provided that, if the order of dismissal is subsequently cancelled, the amount so deducted shall, on his reinstatement in the service, be replaced at his credit in the Fund;

- (b) any amount if a subscriber resigns his employment under the Committee within five years of the commencement thereof, otherwise

than by reason of superannuation or a declaration by competent medical authority that he is unfit for further service:

Provided that the Committee shall not direct any deduction under clause (b) when the subscriber resigns his employment with permission of the Committee to take up service under any one of the following authorities namely—

- (i) a University or Institute which provides for pensionary status or Provident fund to its employees, and
- (ii) such other Committees or bodies of similar status as the Committee may decide from time to time;
- (c) any amount due under a liability incurred by the subscriber to the Committee, the amounts deducted under clauses (a) and (b) shall be transferred to the Lapse and Forfeiture Account and the amount deducted under clause (c) shall be paid to the Committee or credited to the Fund, as the case may be.

**20. Payment.**—(1) When the amount standing to the credit of a subscriber in the Fund, or the balance thereof after any deduction under rule 19 becomes payable, it shall be the duty of the Secretary, after satisfying himself, when no such deduction has been directed under that rule, that no deduction is to be made, to make payment as provided in section 4 of the Provident Funds Act, 1925.

(2) If the person to whom under these rules, any amount is to be paid is a Lunatic for whose estate a manager has been appointed in his behalf under the Indian Lunacy Act, 1912, the payment will be made to such manager and not to the lunatic.

(3) Any person who desired to claim payment under this rule shall send a written application in that behalf, to the Secretary.

**NOTE.**—When the amount standing to the credit of a subscriber become payable under rules 16, 17 and 18 the Secretary shall authorise prompt payment of that portion of the amount standing to the credit of a subscriber in regard to which there is no dispute or doubt, the balance being adjusted as soon after as may be.

**21. Procedure for Accounting.**—(1) All sums paid into and from the Fund under these rules shall be accounted for in the books of the Committee in an account named "Indian Lac Cess Committee Provident Fund Account".

(2) Such accounts shall be examined and audited annually by the auditors of the Committee.

(3) Any loss to the fund from any cause whatever shall be borne by and be a charge on the Fund and shall be deducted in the first place from the income derived from subscribers subscriptions before such income is distributed.

(4) The current account of the Fund shall be kept in the Post Office Savings Bank. Any funds not required for current expenditure may be invested in the name of the Fund in any Security in which trust property may lawfully be invested under the Indian Trusts Act, 1882, or Ten year Treasury Saving Deposit Certificates or National Savings Certificates to the extent permissible and or in fixed deposit with the State Bank of India. Placing of money in fixed deposit and the investment thereof and the disposal of money so placed or invested shall require the sanction of the Standing Finance Sub-Committee or, if no such Committee is in existence, of the President. All orders for making deposits or investments or for the withdrawal of the same or for the disposal in any manner of the Fund shall be signed by the Secretary, Indian Lac Cess Committee and countersigned by the President/Vice-President/a member of the Committee who is specially authorised for the purpose:

Provided that when the Secretary is not at headquarters, cheques etc. may be signed by the Assistant Secretary instead of the Secretary.

**22. Annual Statement of Account.**—(1) As soon as possible after the 31st March of each year the Secretary shall send to each subscriber a statement of his account in the Fund, showing the opening balance as on the 1st April of the year, the total amount credited or debited during the year, the total amount of

interest credited as on the 31st March of the year and the closing balance on that date. The Secretary shall attach to the statements of account an enquiry whether the subscriber—

(a) desires to make any alteration in any nomination made under rule 6;

(b) has acquired a family (in cases where the subscriber has made no nomination in favour of a member of his family under rule 6).

(2) Subscribers should satisfy themselves as to the correctness of their annual statements and errors should be brought to the notice of the Secretary within one month from the date of receipt of the statement.

**23. Agreement.**—Every subscriber shall sign an agreement in the Form provided in the Second Schedule to these rules agreeing to abide and be bound by these rules.

**24. Winding up of Fund.**—(1) The Fund may be wound up by the Central Government.

(2) On the winding up of the Fund, the assets shall be realised and distributed amongst subscribers in accordance with their accounts.

(3) The amount if any, standing to the credit of "Lapse and Forfeiture Account" constituted under rule 13 shall also be divided amongst the subscribers in such proportion as the Committee may decide.

**25. Amendment of rules.**—No amendment to these rules shall be made without the previous sanction of the Central Government.

*New Delhi, the 1st January 1962*

**S.O. 91.**—In pursuance of the provisions of clause (c) of section 4 of the Indian Coconut Committee Act, 1944 (10 of 1944), the Bombay Chamber of Commerce, Bombay (now the Bombay Chamber of Commerce and Industry, Bombay) have nominated Shri M. Mathias, Hindustan Lever Ltd., Ballard Estate, Bombay as a member of the Indian Central Coconut Committee upto the period ending the 31st March, 1962 *vice* Shri A. B. Argo resigned.

[No. 8-4/61-Com. I.]

*New Delhi, the 4th January 1962*

**S.O. 92.**—In pursuance of the provisions of Rule 13(4) of the Indian Cotton Cess Rules, 1923, framed under Section 15 of the Indian Cotton Cess Act, 1923 (No. XIV of 1923), the Central Government hereby publish the audited accounts of 'Receipts and Expenditure' of the Indian Central Cotton Committee, Bombay, for the year ending 31st March, 1961, along-with the Auditor's report.

The audit of the accounts of the Indian Central Cotton Committee, Bombay for the 1960-61 was carried out from 22nd June, 1961 to 8th September, 1961. The following remarks are offered:—

1. The following statements are appended to this report duly checked in audit.

- (i) Statement of receipts and expenditure of the Indian Central Cotton Committee, Bombay for the year ended 31st March, 1961.
- (ii) Statement of Provident Fund Account of the Committee as on the 31st March, 1961.

**2. Expansion and Modernisation of the Technological Laboratory, Matunga.**—The Scheme for expansion of the Technological Laboratory of the Indian Central Cotton Committee was originally proposed some time in 1949-50, but was held in abeyance for want of funds. In 1955, the Government of India intimated that a tentative provision of Rs. 15 lakhs (Rs. 5 lakhs for building and Rs. 10 lakhs for equipment) had been made for the scheme in the Second Five Year Plan. Thereafter, plans and estimates for construction of a new building and alterations to one of the existing buildings were got prepared by the Central Public Works Department. No further actions seems, however, to have been taken on these proposals. In July, 1957, the Indian Central Cotton Committee examined *de novo* the entire question of expansion of the Laboratory in view of the establishment of Textile Research Associations at Ahmedabad, Bombay and Coimbatore. As a result of this examination, a substantial revision of the buildings plans was proposed, in consultation with the Central Public Works Department. The revised proposals were submitted to the Ministry of Food and Agriculture by the Indian Central Cotton Committee in December, 1957. Administrative approval of the Government of India was conveyed in Ministry of Food and Agriculture's letter No. 1-2/58-Com.II, dated 14th February, 1959 and the expenditure sanction for an amount of Rs. 3,18,060 for the works was issued under Ministry's letter No. 1-2/58-Com.II/IV, dated 8th October, 1959. The amount was deposited by the Committee with the Central Public Works Department in July, 1960.

The building portion of the scheme for expansion of the laboratory consists of three items of work, *viz.*

- (i) Construction of new building for Ginning and Engineering Sections.
- (ii) Construction of additional accommodation on the ground floor of the existing Spinning Laboratory building and
- (iii) Construction of a partial first floor over the existing Spinning Laboratory building.

The works at item (i)(ii) above were commenced in October, 1960 and February, 1961 respectively and are still in progress. The work at item (iii) was, however, abandoned as it was found (in March 1961) that the work could not be undertaken due to the existing building being old (constructed in 1924) and the structure not being strong enough to take the load of an additional floor. It was, therefore, proposed by the Committee that the additional accommodation required may be secured by construction of a first floor on the new building *viz.* item (i) above instead of on the existing building. Administrative approval and expenditure sanction of the Government of India for this proposal has been conveyed by the Ministry of Food and Agriculture in their letter No. 1-2/58-Com.II/IV, dated 8th September, 1961.

The Director, Technological Laboratory, however, pointed out that the construction of the additional first floor of the same area (4430 S.Ft.) in the new building instead of in the old building would not present good appearance because of greater floor area of the new building. He, therefore, suggested that approval of the Committee and the Central Government be obtained for extending the additional first floor by 1800 sq. ft. at a cost of Rs. 40,000 (approx.) Government sanction for this estimate is awaited. Frequent revision of estimates indicates that the expansion of Scheme was not properly planned and delayed the construction of the buildings considerably. This is brought to the notice of the Government.

In this connection it may be mentioned that Indian Central Cotton Committee, Bombay, purchased a Cotton delinting machine and two other small machines costing Rs. 28,021 in all between October, 1953 and June, 1955. They have not been installed or brought into use so far because the original idea of installing the machinery in a section of the Technological Laboratory by making suitable structural alterations was dropped in view of subsequent decision to expand the laboratory as stated in the foregoing paragraphs. The construction of the Buildings under the expansion scheme also is still in progress only.

**3. Sale of the Committee's publications through the Indian Council of Agricultural Research.**—(a) The Business Manager, Indian Council of Agricultural Research has so far furnished sales statement in respect of four publications only as against twenty eight publications issued by the Committee to the Council. Action may, therefore, please be taken to ascertain the sale position regarding other publications under intimation to audit.

(b) The Sale statements for the period ending 31st December, 1960 and 31st March, 1961, do not give particulars of the amount realised on sale. This may please be ascertained and the remittance therefor obtained.

(c) Steps may also please be taken to request the Council to effect immediately recovery in respect of all outstanding credit sales and remit the amounts due to the Committee.

(d) It is suggested that a complete account of the publications issued to the Indian Council of Agricultural Research for sale, sales effected, credit realised from the Council and the balance due may be kept in the Committee's Office so as to have a proper check.

**4. Refunds of deposits paid for oil cans.**—(i) The Burmah-Shell Oil Company recovers deposit on account of cans supplied for Solvent Oil purchased from them. These deposits are to be refunded on return of empty cans in good condition. Though the purchase of solvent oil is being made for a number of years, action for claiming refunds has been taken only since April, 1960. It was observed that even at this late stage refunds were claimed without proper verification. As against Rs. 27.90 claimed as refund for return of nine cans, the Oil Company's proposal in their letter No. 9/2 dated 5th May, 1960, for refund of lesser amount of Rs. 25.90 has been accepted. This needs clarification.

(ii) At the instance of Audit, action was initiated for claiming refunds of deposits in respect of the following purchases.

| Serial No. of Purchase Register | Date     | Quantity of oil purchased | No. of cans | Amount of Deposit | Total amount of bill                 | Remarks |

In this connection it may please be stated whether there are any purchases other than those mentioned above and if so what action is proposed to be taken in respect of claiming refunds for return of empty cans. Progress made in the matter may please be intimated to audit.

**5. Suspense Account.**—(i) A note book, wherein amounts received from outside agencies for supplies or services rendered through the Technological Laboratory are noted as suspense receipts, and debits for supplies or services actually rendered are raised is maintained. This note book is not attested by any responsible officer. It also does not serve the purpose fully as there is no cross linking the credits and debits to arrive at the balance due from or to any party. It is, therefore, suggested that an authenticated Suspense Account may please be maintained with proper cross linking of credits and debits so as to enable proper check over clearance of outstanding items.

(ii) This Suspense Account may also be utilised for watching refunds of Customs Duties, wharfage charges which are initially paid by the Technological Laboratory and subsequently claimed. Similarly, clearance of advances paid to the Central Public Works Department for carrying out deposit works may also be watched through this account.

**6. Statement of Accounts.**—The following statement of accounts duly checked in audit are appended to the report.

(i) Statement of Receipts and Payments of the Indian Central Cotton Committee, Bombay for the year ended 31st March, 1961.

(ii) Statement of Provident Fund Account of the Committee as on 31st March, 1961.

**7. Accounts of Schemes.**—(a) During the year 1960-61, 60 Research Schemes and 23 Seed Multiplication and Distribution Schemes were functioning under the Committee. Of the above annual returns for 28 schemes (*vide* statement 'A') only have been received by the end of August, 1961. Steps may please be taken to obtain the returns of other schemes for which grants have been paid to ensure that the progress made in respect of each scheme is commensurated with the expenditure incurred. Action may also please be taken to adjust the unspent balances of excess expenditure incurred by the schemes. Similar action may also be taken in respect of schemes functioning during 1959-60 or earlier, if action in respect of any such schemes has not been finalised.

(b) During the year 1960-61, nine schemes were terminated as indicated in the Statement 'B' attached, but of this annual returns in respect of six schemes have not yet been received. It is, therefore, requested that necessary steps may please be taken to ascertain the cash on hand on termination of the schemes as also to dispose of the assets acquired out of the Committee's funds and belonging to the Committee.

**8. Audit fee.**—An amount of Rs. 5355 (Rupees five thousand three hundred and fifty-five only) may please be paid to the credit of the Central Government under the head "XLVI-Misc. (Central)—Fees for Government Audit" as audit fees for the year 1960-61 and a copy of the chalan forwarded to this Office for information and record.

### PART III

**9. Audit Note.**—An audit note containing minor remarks which could be settled on the spot is being sent direct to the Secretary, Indian Central Cotton Committee, Bombay. The same may please be returned in original duly replied to within a month of its receipt in his Office.

PRESENT:

Shri Salim M. Merchant, Presiding Officer.

Bombay: Dated 29th December 1961

APPEARANCES:

For the employers:—Shri G. Sreenivasan, Manager of the Colliery.

For the workmen:—Shri Gulab Gupta, Vice-President, Chhattisgarh Colliery Workers' Federation.

STATE: Madhya Pradesh.

INDUSTRY: Coal Mining.

## AWARD

The Government of India by the Ministry of Labour and Employment's Order No. 2/269/60/LRII dated 4th January 1961 made in exercise of the powers conferred by sub-section 2 of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), on a joint application of the parties dated 1st October, 1960, as stated in the schedule to the said order, was pleased to refer the following matters to my adjudication:—

- (a) "Whether the dismissal of Shri Raj Kumar, ex-shot firer of New Chirimiri Ponri Hill Colliery from the services of the colliery with effect from 7th June 1960 is lawful and justifiable;
- (b) If not to what relief he is entitled?"

2. After the usual notices were issued, the Vice-President of the Chhattisgarh Colliery Workers' Federation, hereinafter referred to as the union, which represents the workmen in this dispute filed its written statement of claim dated 23rd February 1961 and the management filed its written statement in reply dated 8th June 1961. Thereafter, the hearing was postponed till it was fixed at Chirimiri on 19th December, 1961.

3. The dismissed workman Raj Kumar was employed as a shot firer in the New Chirimiri Ponri Hill Colliery and was dismissed from service on 25th June 1960 on the charge of having on 30th May 1960 blasted the roof in 8 south 15 dip underground without the permission of the mining sirdar. On 30th May 1960 the Assistant Manager of the Colliery Shri U. C. Mehra addressed a memo No. 84 to Shri Raj Kumar stating that in disobedience of the instructions of the mining sirdar he had blasted the 25/15E roof and thus making the height more than 10 ft. He was asked to explain within 24 hours why strict disciplinary action should not be taken against him for the misconduct of disobeying the superior officer's order and for violating regulation 99(2). In his reply dated 1st June 1960 Raj Kumar admitted that he was instructed by the Mining Sirdar not to blast the 15E/8R roof at the said gallery. But he explained that the particular gallery had also been worked in the 1st and 2nd shift of 30th May 1960, and that if it was to be closed, he had not seen any fencing or sign to that effect. He stated that he had therefore in these circumstances not disobeyed any orders. His explanation was not found satisfactory and thereupon a charge sheet No. Staff/12/2032 dated 2nd and 3rd June 1960 was issued against him charging him with the misconduct of having violated regulations 38, 45 and 99 and standing order No. 27, and he was called upon to submit his explanation within 24 hours as to why he should not be dismissed from service and why other consequential orders and action should not be taken against him. It appears that this charge sheet was sought to be served upon Raj Kumar by a chowkidar of the colliery one Bamb Bahadur and it is the company's case, that Raj Kumar refused to accept this charge sheet. Now, refusal to accept a charge sheet is a misconduct, under this colliery's standing orders. The result was that on 4th June 1960, a second charge sheet No. Staff/12/1907 was issued against him charging him under clause 28 of the standing orders with the misconduct of having refused to accept the first charge sheet and he was informed that a departmental enquiry on both the charge sheets would be conducted by the Welfare Officer at 9 a.m. on 7th June 1960, when he was asked to remain present at the enquiry. He was also suspended from service pending enquiry.

4. A departmental enquiry was thereupon held at which Raj Kumar was questioned by the Enquiry Officer and statements of (1) Shri Ganguly, Mining Sirdar and (2) Shri Mangal Pandey, gallery in charge and of (3) Bamb Bahadur, chowkidar were recorded. Raj Kumar was asked to cross-examine the witnesses but he appears to have declined to do so, and there is an endorsement to that effect after the statements of Shri Ganguly and Shri Mangal Pandey were recorded. There is, however, no such endorsement on the evidence recorded of Shri Bamb Bahadur, chowkidar, who was examined on the 2nd charge sheet of having refused to accept the first charge sheet dated 2nd/3rd June 1960. The enquiry was conducted by Shri C. Rao the Welfare Officer who was assisted by the Assistant Manager, he said U. C. Mehra as 'technical assessor'. The enquiry officer thereafter made his report dated 11th June 1960 to the Manager of the Colliery in which he found Raj Kumar guilty of the misconducts under both the charge sheets. The Manager of the Colliery Shri G. Sreenivasan, thereupon, forwarded the report to the head office of the company and in his memorandum stated that as the misconduct had been proved, summary dismissal was warranted and he sought permission for the same under standing order 28 from "higher authority". Thereafter, the Secretary of the company, by his letter dated 23rd June 1960 addressed to the Manager of the Colliery, agreed with his recommendation that the misconduct alleged against Raj Kumar was proved and that he deserved summary dismissal and accordingly

granted permission to dismiss Raj Kumar from service and Raj Kumar was dismissed from service by the order of the manager dated 25th June 1960.

5. The union contests the order of dismissal on the following main grounds:—

- (1) That the shot firers' work is dependent on the Mining Sirdars' and Driller's work; that the shot firer being last in the chain cannot make mistakes unless the Mining Sirdar and Driller have made mistakes in their work;

The Union in Paras 6, 7 and 8 of its written statement has made the following submissions:—

Para 6.—“That in the instant case, the site for boring the hole was selected by the Mining Sirdar and the hole was by the driller. The workman found the hole in order and charged the same with explosive. As soon as everything was ready and the hole was about to be shot the Mining Sirdar came and ordered from a distance not to fire the hole.

Para 7.—That since the Mining Sirdar was at some distance his voice could not be properly heard by the workmen. It was rather late and the shot could not have been stopped. The shot was fired.

Para 8.—That the workman admitted during the enquiry and also in his letter dated 1st June 1960 that the Mining Sirdar had ordered something when he was at the point of firing and as such the order could not be clearly heard. He also stated that once the hole was charged, it would not have been left without blasting.”

- (2) That the domestic enquiry was illegal, improper partial and prejudicial to the workmen; that the Assistant Manager who was the complainant was the technical assessor and was not open to persuasion of any kind; that the workman was not allowed any opportunity to produce witnesses or cross examine the witnesses that were examined against him.

- (3) That the finding of guilt on the second charge was not proper nor justified.

- (4) That the order of dismissal is not proper and not being in compliance with the requirements of standing order of the colliery.

6. For these reasons the union contends that the dismissal was not only illegal but also unjustified.

7. The management in its lengthy and verbose written statement covering 10 closely typed pages, has in effect urged that Raj Kumar was guilty of the misconduct of disobeying the orders of his superiors in firing the shot even after he had been told not to do so. It is further stated that a proper enquiry was held on the charge-sheets at which Raj Kumar was present, and that he was given an opportunity to cross-examine the witnesses tendered by the management but that he had declined to do so and that in spite of an opportunity having been afforded to him he had declined to cross-examine any witnesses on his behalf. The management has, therefore, submitted that a proper enquiry was held at which the rules of natural justice were observed and at which Raj Kumar was given a fair chance to defend himself. The management has further stated that the misconducts with which Raj Kumar was charged were such as to justify his dismissal from service.

8. At the hearing the union examined Raj Kumar and the management led the evidence of Shri B. B. Sinha, provident fund clerk of the colliery. Besides the annexures to their written statements no other documents were filed by either party.

9. With regard to the first contention of the union, I have heard the submissions of both parties at some length and I am satisfied that there is no substance in it. The union tries to make out that the shot firer was third in the chain and that unless the mining sirdar and the driller had made mistakes in their work the shot firer could not make a mistake. But from the admissions in paras 6, 7 and 8 of the union's written statement, it is clear that the hole which the driller had drilled was found in order by Raj Kumar and that after finding that the hole was properly drilled he had charged it with the necessary explosives. It may be that the driller was wrong in drilling this hole in the roof of this particular gallery, but there is a clear admission on the part of Raj Kumar that the mining sirdar had signalled to him not to fire the shot and the company's case is that it was in disobedience of this order that Raj Kumar had fired the shot and this was the misconduct for which he was charge sheeted. Shri Gulab Gupta has sought to argue that the time lag between the mining sirdar having signalled to Raj Kumar not to fire the shot, and his having actually fired the shot, was so short that even if he

wanted to, Raj Kumar could not have helped firing the shot. I am not satisfied with this explanation after hearing the parties account of the manner in which the gallery has to be cleared after the hole is charged and the firing takes place. It is further urged that once the hole was charged it had to be fired. I am not satisfied with this explanation either. Surely, even after the hole was charged the cartridges containing the explosives could have been removed. I am not satisfied with the Union's theory of there not being sufficient time after the signal was given to prevent Raj Kumar from firing the shot. Raj Kumar in his written explanation to the charge-sheet and at the enquiry admitted that he acted against instructions of the Mining Sirdar and the explanation he has put forward in defence is hardly convincing. I am also not satisfied that conditions were such as had made it difficult for Raj Kumar to hear the mining sirdar when he was telling him not to fire the shot. On the evidence, I am satisfied that the conclusion reached by the Enquiry Officer and the management that Raj Kumar in firing the shot had acted in disobedience of the mining sirdar's order was a possible one on the evidence adduced and consequently, the Tribunal would not be justified in interfering with that finding.

10. With regard to the second contention of the union that the domestic enquiry was illegal, improper, partial, and prejudicial to the workman, I have gone through the records of the domestic enquiry from which it is clear that Raj Kumar had after making his statement refused to cross-examine Shri Ganguly the Mining Sirdar and Mangal Pandey the gallery in charge who gave evidence to the effect that instructions had been issued not to blast the roof in the particular gallery. I am satisfied that on the whole a fair enquiry was held on the charge-sheet and that sufficient opportunity was given to Raj Kumar to cross-examine the witnesses of which he did not avail himself. The Union has alleged that Raj Kumar was not allowed to call his witnesses. But there is nothing to show that he wanted to examine any particular workman as his witness. It is difficult to understand what witnesses he could have examined after the admissions which he had made in his written explanation and the answers he gave to the questions of the enquiring officer. It may be that there was a technical error in procedure in the Assistant Manager having assisted the enquiry as a technical assessor but this has not in my opinion materially influenced the enquiry or the finding.

11. With regard to the third contention of the union that the finding of guilt on the second charge was not proper and there was not sufficient evidence to establish the charge. I am not satisfied that there is any substance in this contention either. What Bamb Bahadur had stated in his statement before the Enquiring Officer was that on Friday 3rd June 1960 Banerjee Babu gave him a letter (first charge-sheet) and asked him to deliver it to Raj Kumar. He went underground where he was directed to go to Raj Kumar's residence and served the letter on him. He went to Raj Kumar's residence and placed the letter in his (Raj Kumar's) hands and asked him to sign in the delivery book as token of its receipt, whereupon Raj Kumar took the letter got it read by a clerk and then came and told him (Bamb Bahadur) that he would not sign in the delivery book and asked for one hour's time and said that he would make a written application. Thereupon, Bamb Bahadur brought the letter back. On this statement Shri Gulab Gupta has sought to argue that it did not establish that Raj Kumar had refused to accept delivery of the letter (first charge sheet). But it appears that Raj Kumar after getting the letter read by the clerk returned it to Bamb Bahadur and refused to sign in the peon book. This would in my opinion amount to refusal to accept the charge sheet, which it is not denied is a misconduct under the standing orders of the company.

12. It was next argued by Shri Gulab Gupta that there is no endorsement by the Enquiry Officer under the recorded statement of Bamb Bahadur that Raj Kumar was asked to cross-examine Bamb Bahadur. Though no such endorsement appears under the statement recorded of Bamb Bahadur as appears under the statements of the other two witnesses viz. Shri Ganguly and Shri Mangal Pandey, there is an endorsement to the effect that the statement was recorded in the presence of Raj Kumar. It is significant that no specific allegation of not having been allowed to cross-examine the chowkidar Bamb Bahadur, was at all made at any time until a late stage of the hearing. I am satisfied that in the case of Bamb Bahadur also Raj Kumar had not specified any desire to cross-examine him, even though his evidence admittedly was recorded in his presence.

13. The next contention urged by Shri Gulab Gupta is that the dismissal order is not proper not having been in compliance with the standing orders of the colliery. What Shri Gulab Gupta argued was that under the standing orders of the colliery an order of dismissal has to be approved by the Owner/Agent/Chief Mining Engineer of the colliery. His contention was that in this case there was no approval of the proposed punishment of dismissal suggested by the Manager, by either the

Agent/Owner or Chief Mining Engineer of the colliery and therefore the order of dismissal was not valid or proper. Shri Sreenivasan, the Manager of the colliery, has, however, relied upon the letter from the Secretary of the Company dated 23rd June 1960 (annexure A-1 to the company's written statement) in which he has accorded permission to dismiss Shri Raj Kumar from service as suggested by the Manager in his memo to the Secretary of the Company dated 22nd June 1960, forwarding the report of the Enquiring Officer dated 11th June 1960. It is not denied that Shri Saraf is the Secretary of the Dadabhoys New Chirimiri Ponri Hill Colliery Company Private Ltd., to which this colliery belongs and that the Secretary issues orders in such matters on behalf of this private limited company. The purpose and object of providing the safeguard of obtaining permission of a higher authority than the Manager, is that in the case of dismissal the facts of the case should be reviewed by another independent superior officer. It is not denied that the Secretary of the Company is a higher superior officer than the Manager of the Colliery and his permission to the action of dismissal proposed by the Manager can well be deemed to be the approval of the 'Owner' and would be sufficient compliance with the provision of the standing orders of the colliery on this point.

14. In the result, I hold that the dismissal of Shri Raj Kumar, ex-shot firer of New Chirimiri Ponri Hill Colliery from the services of the Colliery with effect from 7th June 1960 is lawful and justifiable.

No order as to costs.

## AWARD

The Government of India, Ministry of Labour and Employment, by Order No. 1[36]61-LR11 dated 11th September 1961, made in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), was pleased to refer the industrial dispute between the parties abovenamed in respect of the following subject matters specified in the schedule to the said order to me for adjudication:—

## SCHEDULE

"Whether the workers employed in North Chirimiri Colliery of United Collieries Ltd. are entitled to payment of sick-khoraki, and, if so, at what rate and from which date?"

2. After the usual notices were issued, the Chhattisgarh Colliery Workers' Federation, which represents the workmen of this colliery, filed its statement of claim dated 7th October 1961, to which the Manager of the North Chirimiri Colliery filed his written statement in reply dated 30th October 1961. The dispute was thereafter taken up for hearing at Chirimiri on 19th December 1961.

3. The Chhattisgarh Colliery Workers' Federation, (hereinafter referred to as the union), which admittedly represents the workmen of this colliery, by its letter dated 10th June 1961 raised an industrial dispute over 9 demands including the demand for payment of sick khoraki. The union's case in support of the demand as stated in the failure report dated 28th July 1961 of Shri D. Panda, the Conciliation Officer (Central) Jubbulpore, was that sick khoraki was being paid by the collieries situated in Surguja and Shahdol districts at the rates prescribed under the Das Gupta Award, for a period of 21 days in respect of the collieries which were paying 21 days sick khoraki prior to the Das Gupta Award and 14 days sick khoraki in respect of collieries which started the practice after the Das Gupta Award; that the North Chirimiri Colliery was the only colliery in that whole area which does not pay anything by way of sick khoraki; that the colliery was working for the last 15 years and is a prosperous unit raising about 10,000 tons of coal per month. The union, therefore, demanded that the workmen be paid sick khoraki at the rate of 50 per cent of basic wages, dearness allowance and full variable dearness allowance, for a period of 21 days in a year.

4. The management in opposing the demand had urged during conciliation that the Arbitration award of Shri A. Das Gupta in respect of sick khoraki was not applicable to this colliery; that the leave provisions had already been enhanced under the amended Mines Act, 1960, and the matter of sick khoraki must have been taken into consideration at the time of enhancing the leave provisions; that the colliery was not in a flourishing state and could not bear the extra burden of this additional benefit; that the colliery was only making a profit at the rate of about Re. 1 per ton which was not sufficient considering the investment made in the colliery.

5. The parties in their respective written statements and in their submissions at the hearing before me have, substantially urged the same arguments in support of their respective contentions.

6. Before dealing with these contentions it is necessary to state that the question of the benefit of sick khoraki has been dealt with in the Arbitration Award of Shri A. Das Gupta, Arbitrator in the Colliery Disputes Arbitration, to whom the question was referred. In para 6 at page 80 of his award, dated 30th December, 1959, the learned Arbitrator observed:—

"As I have mentioned that workers cannot be expected to keep fit for 365 days in a year, the employers have a social and moral obligation to make provision for the workers to maintain themselves and members of their family during periodical indisposition while in service. Sick leave to the workmen has come to be a condition of employment in industrial establishments in the same way as leave with pay. The necessity for rest during the periodical indisposition of the workers cannot be exaggerated. If the workers are not provided with means to fall back upon during such rest the result will be more disastrous. Sick leave can no longer be called a generous grant of the employers out of charity."

I am in respectful agreement with these views as justifying the demand for grant of the benefit of sick khoraki. With regard to the prevailing rate of sick khoraki

and the period of sick leave the learned Arbitrator in para 7 on page 80 observed as follows:—

“Sick leave is generally granted for 15 days in a year and the monetary benefit available to the workers during such leave is 50 per cent of their average pay, including dearness allowance.”

7. It is no doubt true that Shri Das Gupta felt jurisdictional difficulties about making a direction with regard to the amount of sick khoraki for those collieries where this practice was then not in force. The North Chirimiri Colliery is one such colliery. But it is admitted that most collieries which were not granting the benefit of sick khoraki have, since the Das Gupta Award was made, started paying sick khoraki at the rates fixed by Shri Das Gupta as stated above. It is not denied that as a result of the Das Gupta Award a uniform increase in the selling price of coal was granted to the coal industry in general and that this colliery also got the same increase in the selling price of its coal. The increase in the selling price was granted because of the increased burden that was placed on the collieries because of their having to implement the directions of the Das Gupta Award. It was admitted at the hearing that all the collieries in the Chirimiri area are by now granting the benefit of sick khoraki at rates fixed by the Das Gupta Award and that this is the only colliery in the Surguja District which is not granting this benefit. In fact by my award, dated 29th July, 1960, in Reference No. CGIT-20 of 1960, I have granted the benefit of sick khoraki in terms of the Das Gupta Award to the workmen of another colliery belonging to this very company *viz.*, the Kamptee Colliery. In my opinion the fact that the Das Gupta Award did not apply to this colliery cannot come in the way of an award being made directing this company to grant the benefit of sick khoraki when an industrial dispute has subsequently been raised by the workmen claiming that benefit. There is now no doubt that the demand for payment of sick khoraki is justified on merits and should be granted by management of collieries to all their employees, unless they make out a strong case against it.

8. It is admitted that the benefit of sick khoraki is being granted by this colliery to its monthly paid employees and Gorakhpuri labour. Thus on principle this company has conceded the justification for the demand for the grant of sick khoraki for a section of its employees. There seems to be therefore hardly any justification for refusing this benefit to the rest of the workmen of this colliery.

9. Shri Diddee, Agent of the Colliery, has urged that since the Das Gupta Award was made on 30th December, 1959, there has been an amendment to the Indian Mines Act under which the workmen are now entitled to longer earned leave in a year than before. He has referred to the provisions of the amending Act by which at present every worker in the colliery is entitled to one day's earned leave for every 16 days worked underground and to one day's earned leave for every 20 days worked on the surface and he has argued that in view of this increased leave the benefit of sick khoraki is not justified. A similar contention was advanced by Shri Diddee in Reference No. CGIT-20 of 1960, in the Kamptee Colliery's dispute, where he had appeared for the employers, and I rejected the said contention for reasons stated in para 7 of my said award. For the same reasons, I reject this contention and hold that the amendment to section 51 of the Mines Act, dated 16th January, 1960, cannot justify the management's refusal to meet this demand.

10. Shri Diddee next urged that the company has not the capacity to meet the financial burden of the benefit of sick khoraki and he has in support filed a statement showing the production cost per ton and working position for the period March, 1961 to September, 1961. Apart from the fact that the union has not admitted the correctness of this statement, it shows that the colliery has a margin of Rs. 1.47 per ton in its selling price over the cost of production, which according to the company is subject to the provision for development rebate, income-tax, dividend etc. The union on the other hand has given me the figure of the nett profits earned by the company on the working of this and its other colliery for the year ended 31st December, 1960, which shows a profit over Rs. 5 lakhs for that year. It is admitted that the production of coal in this colliery has been progressively rising every year since the last few years. The Union has argued that having got the increase in the selling price of coal which all other collieries had got in implementation of the Arbitration Award of Shri Das Gupta which included liability on the company to pay its workmen sick khoraki at rates fixed by the Das Gupta Award, the company had acted unfairly by its workmen in refusing to grant this benefit. I think this grievance of the workmen is completely justified and it is to be regretted that the company should have refused to grant this relief even after this benefit was granted by my Award in its Kamptee Colliery's dispute.

11. After a careful consideration of the submissions of the parties, I am more than satisfied that this colliery is in a position to bear the financial burden of the demand made by the workmen. I, therefore, hold on issue No. 1 under reference that the workmen employed in this colliery are entitled to payment of sick khoraki.

12. The next question to consider is at what rate the sick khoraki should be granted. The union had at first claimed sick khoraki for 21 days in a year at 50 per cent of the average pay, including dearness allowance and full variable dearness allowance. At the hearing, Shri Gulab Gupta, however stated that he would be satisfied with the rate awarded by Shri Das Gupta which is 15 days in a year and the monetary benefit available to the workers during such leave should be 50 per cent of the average pay including dearness allowance. This is the rate at which a majority of the collieries are now paying sick khoraki and that is the rate at which I have awarded sick khoraki by my award in Reference No. CGIT-20 of 1960, against this company to the workmen of its Kamptee Colliery and by my Award, dated 13th April, 1961, in Reference No. CGIT-2 of 1961, against the Majri Colliery.

13. I, therefore, award that the workmen employed in the North Chirimiri Colliery are entitled to payment of sick khoraki at the rate of half their average monthly wages (basic plus dearness allowance) of the previous twelve months for a period of 14 days in a year and I answer issue No. 2 in the Reference accordingly.

14. The last question that remains to be considered is the date from which this benefit should be allowed. The union has claimed it from the date of the Das Gupta Award i.e. 30th December, 1959, on the ground that the company has had the benefit of the consequent increase in the selling price of its coal as from that date. But it has to be remembered that this demand was made by the union much later, only on 10th June, 1961 and that this dispute was referred to adjudication on 11th September, 1961. Considering all these circumstances, I think it reasonable to grant the benefit from 1st January, 1962 and I direct accordingly.

15. Shri Gulab Gupta appearing for the workmen has claimed that a provision for costs should be made in favour of the union. I think this is a fit case where costs should be awarded against the company. The demand of the workmen was completely justified and I see no justification whatsoever in the management refusing to grant this demand after my award in the Kamptee Colliery's dispute. I, therefore, award Rs. 100 as costs in favour of the union to be paid to the union within seven days of this award becoming enforceable.

*New Delhi, the 6th January 1962*

**S.O. 140.**—The following draft of a scheme further to amend the Calcutta Dock Workers (Regulation of Employment) Scheme, 1956, which the Central Government proposes to make in exercise of the powers conferred by sub-section (1) of section 4 of the Dock Workers (Regulation of Employment) Act, 1948 (9 of 1948), is published as required by the said sub-section for the information of all persons likely to be affected thereby; and notice is hereby given that the said draft will be taken into consideration on or after the 1st February 1962.

Any objections or suggestions which may be received from any person with respect to the said draft before the date so specified will be taken into consideration by the Central Government.

#### DRAFT SCHEME

1. This Scheme may be called the Calcutta Dock Workers (Regulation of Employment) Amendment Scheme, 1961.

2. After clause 51 of the Calcutta Dock Workers (Regulation of Employment) Scheme, 1956, hereinafter referred to as the said Scheme, the following clause shall be inserted, namely:—

“51-A. *Security deposit.*—Every registered employer shall deposit with the Board such amount, by way of security, as the Board may fix from time to time. Until the said deposit is made, a registered employer shall not be entitled to the supply of registered dock workers from the Administrative Body.”

3. After clause 52 of the said Scheme the following clause shall be inserted, namely:—

“52-A. *Penalty for default in payment.*—(1) If a registered employer who has defaulted in making the payments due from him under sub-clause (1) of clause 52, does not pay his dues even after the expiry of the notice period mentioned in sub-clause (6) of clause 52, then notwithstanding anything contained in this Scheme and without prejudice to any other action that the Board may take, the security deposited with the Board under clause 51-A shall be forfeited to the extent of the amount due to the Board from the employer and the same shall be adjusted against the said amount. The Board may require the employer—

(a) to make good the resulting deficiency, if any, in the security deposit; and

(b) in case the security deposit is not in cash, to replace the deposit by cash deposit;

and until the employer does so he shall not be deemed to have made the security deposit under clause 51-A.

(2) If a registered employer defaults in the payment of dues on more than one occasion the Board may remove his name from the Employers Register:

Provided that before any action is taken under this clause the registered employer shall be given an opportunity to show cause why such action should not be taken against him.”
